Applause TALENT

DEAR TEACHERS, PARENTS, PERFORMERS, AND FRIENDS,

Welcome to the 2025 season of Applause Talent! Whether you are returning or joining us for the first time, we are thrilled to have you participate in what promises to be another exhilarating competition season. We look forward to celebrating your talents and achievements.

GENERAL INFORMATION

REGISTRATION/CHECK-IN: Teacher check-in is located backstage and may be completed with our backstage manager.

PROPS: ALL props must be delivered and removed each day.

VIDEO/PHOTO CAMERAS: Photography and/or videography of any kind is strictly prohibited. We kindly ask you to refrain from doing either while performances are taking place. However, you may take photos during awards. In order to provide protection for our performers and their teachers' choreography, video cameras will not be allowed in the auditorium at any time. Teachers, please explain this to your parents, as any noncompliance may result in the disqualification of a performance. A team of professionals will photograph and videotape all performances.

SCHEDULE/PERFORMANCE TIMES: Contestants must be ready to perform one hour prior to their scheduled time. All contestants must check-in with the backstage manager prior to going on stage. Conflicts of any kind must be verified with the backstage manager. Also, please note that the schedule might deviate from the printed program to accommodate any unforeseen changes. Awards can start earlier or later than the scheduled times.

REFRESHMENTS: Food and drinks are not allowed in the competition areas.

SMOKING: IS NOT ALLOWED IN THE COMPETITION AREAS

DRESSING ROOMS: Dressing room space is available on a first-come, first-served basis. Studios and performers are required to share these spaces. We ask you to please be respectful of others' belongings. Please correspond with the backstage manager if there are any dressing room concerns throughout the competition. DO NOT leave your items unattended. Applause Talent is not responsible for lost, stolen, or damaged items.

MERCHANDISE: On the final day of competition, our merchandise table will close one (1) hour before the last performance. Please be sure to finalize all purchases before this point in time.

APPLAUSE TALENT MOBILE APP: Applause Talent strives to bring their clients cutting edge technology to simplify and enhance the competition experience. The new Applause app brings you schedules, results & exclusive photo and videos in an efficient, user friendly format on your iPod or iPhone. Download our free app now!

GENERAL: Questions regarding routines or performances can be brought to the attention of your Show Director (by a teacher or studio owner only). Our Lost & Found is located at the merchandise table.

If you have any questions, please feel free to ask an Applause Talent staff member. We are happy to assist you! On behalf of the entire organization, we thank you for choosing Applause Talent and look forward to a continued relationship with you and your studio members.

Thank You!
